

# NEXA NP1060

## **OPOS Drawer Kick Setup**

Run these three installs in the following order

1. OPOS\_CCOs\_1.14.001.msi
2. Microsoft Visual C++ 2008 SP1 Redistributable Package (x86) - vc\_redist\_x86.exe
3. install.exe

The drawer will now be a registered OPOS device.
